A Brief Report:

Political Science Department of MTES's Smt. G. G. Khadse college has organized a guest lecture for students titled Awareness On the Indian Constitution by Mr. Pradip Bodhade on 09 February 2023. In this lecture he discussed that the Constitution of India is the supreme Law of our nation and every citizen of the country is obliged to be bound by it. The present generation needs to be told of the historical background of the Indian Constitution as pretty little is debated about the constitutional growth during the freedom struggle led by Gandhi and the Indian National Congress. There is, therefore, every need to recount the historical facts regarding the framing of our Constitution.
